TILES

**Brilliant Finish with Exciting Shades of
the surface make a statement of class**

This series has a variety of shades that resemble nature, elevating your décor's charm. Choose it to fascinate everyone with its beauty.

...

Enhance your ambiance to a new height with its fabulous beauty that last forever.

SENSATIONAL INNOVATION

In high-traffic areas such as hospitals, airports, and gyms, matte finish tiles offer exceptional durability, able to endure heavy usage while maintaining their stylish appearance. Their non-reflective surface effectively conceals scratches and scuffs, simplifying maintenance in busy environments.

Advantages

- 

High Abrasion Resistance
- 

Chemical and stain Resistance
- 

Impact Resistance
- 

Hygienic Surface
- 

Fire Resistance
- 

Frost Resistance
- 

Low Water Absorption
- 

Dimensional Stability
- 

Thermal Shock Resistance

Application

- 

Residential
- 

Commercial Building
- 

Hotel, Café & Restaurant
- 

Hospital
- 

Airport
- 

Gymnasium

A grid of six material samples arranged in two columns and three rows. The top-left sample is a light tan color with a fine, fibrous texture. The top-right sample is a light gray with a fine, granular texture. The middle-left sample is a dark gray with a fine, granular texture. The middle-right sample is a medium tan color with a fine, fibrous texture. The bottom-left sample is a dark charcoal gray with a fine, granular texture. The bottom-right sample is empty white space.
